Nestled in a private enclave within a larger neighborhood, this well-maintained townhouse blends style and convenience. Step into the townhouse from the welcoming front porch. The open main level features hardwood floors, crown moldings, built-in cabinetry and a spacious living area with serene wooded views, perfect for relaxing with a cup of coffee or entertaining on the brick patio. The kitchen offers abundant cabinetry, marble backsplash, stainless steel appliances, gas range and a sunny breakfast nook. Upstairs, the vaulted primary suite includes 2 skylights and a spa-like bath with jetted tub, shower stall, and dual vanities. A second vaulted bedroom with en-suite bath provides comfort and flexibility. The finished lower level offers versatile space for a home office, playroom, or media room, plus, a storage area. Just minutes to the commuter rail, Hopkinton State Park, and the top -rated schools, this home offers the best of privacy, lifestyle, and location.
